ZNA Q Forms — Purpose Guide

IT Dir Tech Stores · Cost centre Z04P2SP212

Aligned to Accounting Standing Orders (QS Branch, Aug 2011) · 28 July 2026

1. Core Q forms in TechStores

Form	Purpose	When you use it
ZNA Q 987	Certificate of stocktaking — records physical count vs ledger and certifies the board/officer result	After a stock take (ASO Pt 1 Ch 9). Push from Stock Take
ZNA Q 982	Combined indent & voucher — demand stores from a depot / CSSD and support issue/receipt of that consignment	Indent for new/replacement kit; attach Q 1043 when replacing condemned items
ZNA Q 1033	Issue & receipt voucher — day-to-day movement of stores (unit, sub-unit, local supplier, loan)	Receive from supplier; issue to user/sub-unit; loan issues/returns; surplus bring-on after stock take
ZNA Q 178	Sub / distribution ledger sheet — holdings by sub-unit or distribution point	Track what left the main ledger to sections/users
ZNA Q 80	Ledger sheet — master account card for an item (receipts, issues, balance)	Maintain the running balance for tools/equipment/spares
ZNA Q 1043	Condemnation certificate — item beyond economical repair / unserviceable	Workshop cannot repair → then indent replacement on Q 982
ZNA SVCS 1045	Workshop indent — sends unserviceable equipment into workshop with a job trail	Start of repair chain (ASO Ch 15 / Pt 2 Ch 5)
ZNA SVCS/890	Demand / issue — workshop or signal stores demand for spares against a job	Spares for a repair job; often linked to job card
ZNA Q 3977	Neglect / misuse / damage report — how loss or damage occurred and who may be liable	Before write-off / recovery action (ASO Ch 6 path)
ZNA Q 1179	Clothing issue voucher	Issue clothing to individuals (limited ICT use)
ZNA Q 1157	Clothing & equipment record — personal charge card	Track what a person holds on personal charge

2. Related forms (same family)

Form	Purpose
DP F1	Official procurement indent to Directorate of Procurement
Accommodation Stores	Inventory of furniture / barrack-type office stores
Monthly Returns	Unit ICT equipment return (SVC / UNSVC / T/LOAN)

3. Typical chains (how they connect)

1. **Stock take:** count → **Q 987** → surplus on **Q 1033** / deficit via Ch 6 (**Q 3977** / Board / write-off).
2. **Repair / replace:** **SVCS 1045** → (repair OK) return, or **Q 1043** → indent **Q 982** → strike off **Q 1033**.
3. **Buy locally:** Delivery Note → receipt on **Q 1033** → post to ledger (**Q 80** / system GL).
4. **Loan:** issue/return on **Q 1033**; keep loan voucher file (ASO Pt 2 Ch 3).

4. Formerly gaps — now in TechStores

Form	Purpose	Nav
ZNA Q 985	Discrepancy report when consignment qty/description ≠ voucher (ASO Ch 7)	ZNA QM Forms → Q 985
ZNA Q 1	Write-off schedule (ASO Ch 6)	ZNA QM Forms → Q 1
ZNA Q 998	Statement of loss / damage / destruction (ASO Ch 6)	ZNA QM Forms → Q 998
ZNA Q 1680	Debit voucher for recoveries to public funds (ASO Ch 27)	ZNA QM Forms → Q 1680

5. Q 987 in one line

ZNA Q 987 is the official certificate that the physical stock check was done and how it compares to the ledger — not the count sheet itself, but the *certified result* of that stocktaking.
